

Honda and Acura Fleet Vehicle Guide

Our business, driving your business.

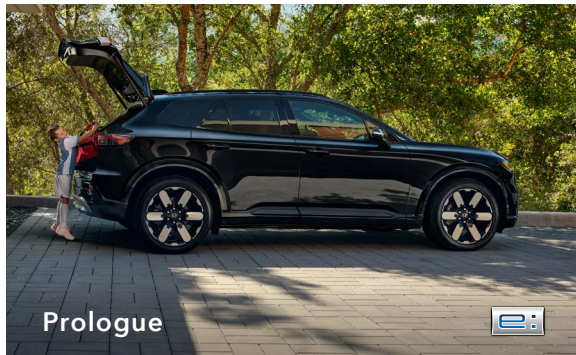

We know that every vehicle in your fleet is more than just transportation—it's a promise to your customers, students, or community. Our goal is to deliver dependable vehicles that balance efficiency and comfort with the exceptional value you expect from American Honda Motor Co., Inc. Whether you're managing a nationwide rental operation, keeping a campus moving, or curating the right mix of models for your business, we provide the lineup and support to keep you moving forward.

Smart business starts here.

Unmatched quality and reliability are the foundation of every vehicle we build. Our fleet solutions offer long-term value through strong resale performance, low ownership costs, and proven efficiency.

For more information, please contact
Auto_Fleet_Sales@na.honda.com

Value that lasts.

Honda and Acura vehicles are consistently recognized for holding their value.¹ That can mean lower depreciation and a stronger return on investment when you're ready to upgrade or replace your vehicles.

Low cost of ownership.

Keeping costs predictable is essential to running a successful fleet. Honda and Acura vehicles are consistently recommended for their reliability and longevity, making them a smart choice for your business.

Bring on the fun.

Every Honda and Acura vehicle delivers responsive handling and spirited performance that brings the road to life. It's a passion that has fueled American Honda Motor Co., Inc., for decades, and it continues to set our vehicles apart today.

Built for efficiency.

Efficiency is engineered into every one of our vehicles. Designed to help you go farther, our entire lineup of gas and hybrid vehicles helps keep operating costs low and drivers on the move longer.

Expansive dealer and service network.

No matter where your fleet operates, Honda and Acura have an expansive dealer and service network to keep you covered. With a nationwide network of service centers from coast to coast, you'll have access to trained technicians, genuine parts, and reliable service to minimize downtime.

We stand behind every vehicle we make.

Every new Honda and Acura vehicle is backed by a comprehensive limited warranty for added assurance in your investment. It's one more way we stand behind you and your business.

Investing in community.

For more than 40 years, American Honda Motor Co., Inc., has been manufacturing vehicles in the U.S. using locally and globally made parts, while investing billions to advance American industry.* We're committed to driving innovation, supporting local economies, and strengthening the communities where we live, work, and play.

Manufactured in America.†

With nearly two-thirds of Honda automobiles that are sold in the U.S. being made in America, we are a leader in American manufacturing. We have more models in the Top 20 of Cars.com's² annual American-Made Index than any other brand, and we're honored to be recognized for our steadfast commitment to domestic production.

Manufacturing and environmental consciousness.

At Honda, environmental responsibility is built into everything we create. We're focused on meaningful action that drives real-world impact, like reducing CO₂ emissions across our products and operations, using carbon-free energy sources, and maximizing the use of recycled materials in our products.

Driven by people.

We employ associates in a wide range of roles, but our impact reaches far beyond our walls. Our presence also supports thousands of additional jobs through suppliers, dealerships, and service centers, helping to strengthen both local communities and the broader economy.

*Accord, Odyssey, Passport, Pilot, Ridgeline, Integra, and MDX are made in U.S. factories using domestically and globally made parts.

Building together.

Behind every successful fleet is a partner who understands what it takes to build one. With Honda and Acura fleet vehicles, you'll find vehicles designed to deliver long-term value, unmatched reliability, and the peace of mind that comes from working with a brand committed to your success.

Estimate Payments

Selecting the right vehicles.

Finding the right vehicles for your fleet is simple with our wide range of Honda and Acura models. Our online tools let you explore configurations, compare options, and even estimate payments to build a fleet that fits your needs.

Dedicated support.

Every Honda and Acura fleet account is supported by a team that specializes in fleet management and understands the unique needs of business buyers. You'll get the guidance, insight, and advice you need to build a program that fits your business.

Maintenance made simple.

Our nationwide network of trained technicians provides expert care, so your vehicles can get back on the road quickly and reliably.

HONDA
The Power of Dreams

Our core values.

Our foundation is built on respect, initiative, equality, and trust. These values extend beyond our walls, guiding how we support our fleet partners and shaping every interaction from initial consultation to long-term collaboration.

Discipline that pays off.

Our commitment to innovation is backed by a financial strategy that prioritizes long-term growth, efficiency, and speed to market. By investing in advanced technologies and streamlining operations, we deliver cutting-edge solutions that quickly meet evolving customer needs.

Creating American jobs.

We employ more than 30,000 U.S. associates³ who work across all sectors including manufacturing, research and development, engineering, financing, and sales. Honda U.S. operations also have a multiplier effect, indirectly creating jobs throughout the economy.

Count on us.

For decades, we have been recognized for excellence on the road, earning top honors for performance, technology, and value. But awards are only part of the story. Behind every accolade is our commitment to delivering vehicles and programs that make ownership easy and rewarding. From nationally recognized safety ratings to dependable service plans and accessories designed to keep your fleet at its best, you can trust us to support you long after the keys are in your hand.

Car and Driver

Car and Driver's 10Best list is one of the industry's most respected awards, honoring vehicles that deliver exceptional performance, value, and innovation. Honda has won more Car and Driver trophies than any other brand in the over 40-year history of the award.

KBB Awards*

As a leading authority on vehicle value and consumer trust, KBB awards are a benchmark for long-term ownership confidence. We're proud to be the most honored brand in Kelley Blue Book Best Buy Awards history.

NHTSA 5-Star Safety Ratings

Honda and Acura models consistently earn top safety ratings from the National Highway Traffic Safety Administration (NHTSA), including 5-Star Overall Vehicle Scores, the government's highest mark for crash safety performance.

IIHS Awards

Year after year, select Honda and Acura vehicles are recognized by the Insurance Institute for Highway Safety (IIHS), with most earning either the coveted TOP SAFETY PICK+ or TOP SAFETY PICK awards.

Roadside Assistance

Honda and Acura Roadside Assistance⁴ is available 24 hours a day to help with towing, jump starts, lockouts, flat tires, and more. Please see your fleet dealer for details.

Complimentary Maintenance Programs

Keep your new Honda or Acura running smoothly—on us. Honda Service Pass⁵ and Acura Precision Maintenance are complimentary service programs that use only Honda Genuine Parts or Acura Genuine Parts to cover certain factory-scheduled maintenance over the first 12 months or 12,000 miles (whichever occurs first).

Genuine Accessories

Honda Genuine Accessories and Acura Genuine Accessories are manufactured to the same strict standard as our vehicles and are the perfect way to enhance and protect your vehicle. Please see your authorized Honda or Acura dealer for details.

*2025 Kelley Blue Book Consumer Choice Awards are based on the Brand Watch™ study from Kelley Blue Book. For more information, visit www.kbb.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc.

Coverage you can count on.

Reliability starts with engineering, but true peace of mind comes from the support behind your fleet. Our vehicles are backed by robust warranty coverage and supported by services designed to keep you moving with confidence. From comprehensive protection plans to attentive Roadside Assistance,⁴ we're here to ensure that your ownership experience is as reliable and worry-free as the vehicles themselves.

Honda Warranties

Honda New Car Limited Vehicle Warranty

All new Honda vehicles are covered by a Limited Warranty for up to 3 years or 36,000 miles, whichever comes first.

Our most intuitive vehicles ever.

Our product design continues to be at the forefront of safety technology that not only helps protect the occupants of our vehicles, but pedestrians and people in other vehicles as well. It's this focus on protecting people that has led to top safety ratings and drives us to continue developing breakthrough innovations in road safety.

Honda
SENSING

Honda Sensing®

Honda Sensing® is our exclusive intelligent suite of driver-assistive features designed to alert you to things you might miss while driving. This suite of features is standard on every Honda vehicle.

automobiles.honda.com/sensing

AcuraWatch™

AcuraWatch™ is our exclusive suite of driver-assistive technologies with advanced features that help enhance driver awareness, avoid collisions, and mitigate the severity of an impact. AcuraWatch comes standard on all Acura vehicles.

Acura 360+

Alongside AcuraWatch™, additional available driver-assistive technologies help enhance overall driver awareness from all sides of the vehicle. Acura 360+ features cutting-edge technology for more peace of mind with every drive.

Safety for Everyone™

Safety for Everyone™

Our Safety for Everyone™ approach aims for a zero-collision society, where our customers and everyone sharing the road can safely and confidently enjoy the freedom of mobility.

Bolder and more capable than ever.

Our rugged vehicles are built to take on bigger challenges. With advanced powertrain systems, serious capability, and engineering that thrives beyond the blacktop, they're made for those who chase the horizon. Our TrailSport models take rugged to the next level, delivering our most adventure-ready performance yet.

Meet TrailSport.

TrailSport is Honda at its most rugged. Available on the Passport, Pilot, Ridgeline, and CR-V, it's engineered for tougher trails and bolder backroads. With features like all-terrain tires, available skid plates, and advanced AWD systems, TrailSport is built to get dirty.

automobiles.honda.com/rugged

Adventure meets comfort.

On the road or off, TrailSport vehicles deliver smooth rides and confident handling without sacrificing comfort. It's the perfect balance of on-road refinement and enhanced off-road capability.

Intelligent power.

When conditions get rough, the TrailSport advanced all-wheel-drive systems help you power through. Available Real Time AWD™ responds quickly to changing terrain, while the available i-VTM4® system adds torque vectoring for better control, even when the trail is unpredictable.

Capability with a conscience.

From the trail to the classroom, Honda champions responsible exploration. Our Off-Highway Vehicle & Environmental Learning Center in California teaches respect for the land and inspires drivers to explore with care.

Honda Fleet Vehicles

A fleet vehicle carries more than people or cargo—it carries your reputation. It needs to meet a wide range of needs and stay dependable over time. Honda delivers with a broad lineup that's built for real-world situations. Explore our models and find the right fit for your fleet.

Fully charged for endless possibilities.

PROLOGUE

Prologue Elite shown in North Shore Pearl with Honda Genuine Accessories. Honda reminds you to properly secure cargo items and follow all applicable load limits and loading guidelines.

Electric power. SUV versatility.

The all-electric Honda Prologue combines SUV versatility with advanced EV performance. With a 308-mile EPA range rating on 2WD EX and Touring,⁶ fast-charging capability,⁷ and smooth, responsive acceleration, it's designed to go the distance in comfort and style.

308-MILE RANGE RATING⁶

PROLOGUE

Tech that connects.

The Prologue makes every drive feel smarter and more connected. Apps, music, and messages come to life on the expansive 11.3-inch touch-screen with Google built-in,⁸ while an available Head-Up Display keeps key details right in your line of sight.

Power when you need it.

DC fast charging⁷ gets you back on the road in minutes, keeping downtime to a minimum. And you can charge the Prologue at the largest supercharging network in the country, so powering up is simple and convenient almost anywhere you go.

Room for what matters.

Inside the Prologue, flexibility comes standard. The 60/40 split rear seatback makes it easy to configure the space for passengers, cargo, or both. And with the available hands-free power tailgate, loading and unloading is easy, even when your hands are full.

automobiles.honda.com/prologue

The Honda Prologue has a 5-Star Overall Vehicle Score from the NHTSA.

CIVIC SEDAN

Fun for miles.

HYBRID Available

Nonstop fun.

Fun-to-drive has always been at the heart of the Civic Sedan. Whether you choose the proven performance of a gas engine or the added efficiency of a hybrid powertrain, you'll get an exhilarating driving experience that seamlessly blends performance with efficiency.

50-MPG EPA CITY RATING ON HYBRIDS⁹

CIVIC SEDAN

Responsive by design.

Step inside the Civic Sedan, and you'll find a cabin thoughtfully designed to make your drive more enjoyable. Available leather-trimmed seats, wide-open sightlines, and refined touches create a level of comfort and sophistication that's rare in its class.

Excitement around every corner.

From quick turns to long stretches of road, the Civic Sedan is expertly tuned for balance and control. Seamless acceleration paired with its MacPherson strut front suspension gives it sharp, confident handling that amps up the fun-to-drive feel.

Advanced assistance, built in.

Peace of mind comes standard with Honda Sensing[®], a suite of driver-assistive features designed to alert you to things you might miss while driving.

The Honda Civic Sedan has a 5-Star Overall Vehicle Score from the NHTSA.

**Fun that fits
your life.**

CIVIC HATCHBACK

Civic Sport Touring Hybrid Hatchback shown in Meteorite Gray Pearl.

HYBRID Available

The hatchback advantage.

The Civic Hatchback stays true to the fun-to-drive Civic spirit while adding extra versatility. Choose between a traditional gas engine or an available 200-horsepower¹⁰ hybrid powertrain, each delivering the balance of performance and efficiency that has always defined the Civic.

AVAILABLE 200-HORSEPOWER HYBRID POWERTRAIN¹⁰

Smart tech made simple.

The Civic Hatchback is packed with smart technology that makes every drive more connected. Standard Apple CarPlay^{®11} and Android Auto^{™12} compatibility put your favorite apps and music at your fingertips, while the available wireless phone charger¹³ keeps your devices powered up without having to bring a cord with you.

Space when you need it.

The Civic Hatchback combines sporty style and seamless functionality. With a spacious cargo area and 60/40 split rear seats, it delivers the kind of everyday practicality that makes room for passengers, gear, or both.

Refinement within reach.

Premium touches like available leather-trimmed seats, heated front seats, and Google built-in⁸ give the Civic Hatchback a refined edge, all while keeping its sporty character.

CIVIC HATCHBACK

The sedan that
defines its class.

Made in America*

Accord Sport Hybrid shown in Still Night Pearl. *The Accord is made in U.S. factories using domestically and globally made parts.

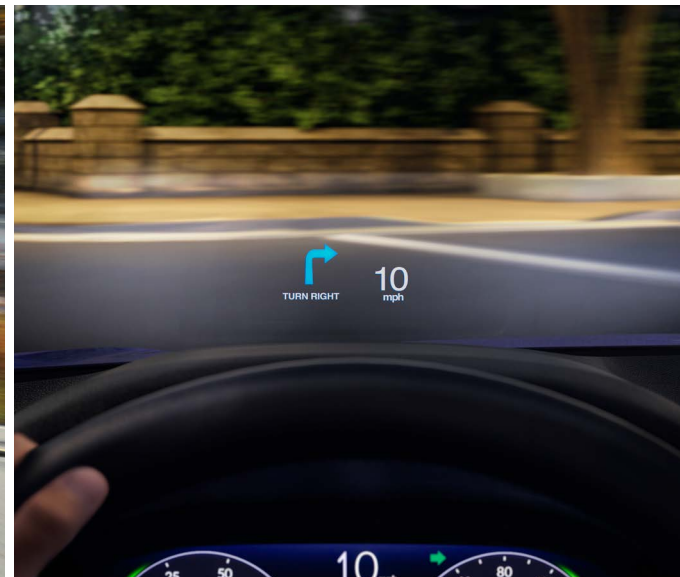

HYBRID Available

Elevate the everyday.

The Accord is built for drivers who expect more from a sedan. Choose the 192-hp¹⁴ turbocharged engine or the 204-hp¹⁰ hybrid powertrain, and you'll find a balance of power and refinement that you'll feel in every drive. That's why the Accord has earned a place on *Car and Driver's* 10Best list nearly 40 times—more than any other vehicle in history.

51/44 CITY/HIGHWAY MPG RATING ON EX-L HYBRID¹⁵

ACCORD

Athletic by design.

The Accord pairs sleek, modern styling with a highly responsive drive that makes every journey more fun. Smooth contours and a fastback-inspired roofline give it a bold, athletic profile that reflects its spirited personality.

Technology that works smarter.

Tech takes center stage in the Accord, with available Google built-in⁸, a wide 12.3-inch touch-screen, and a Head-Up Display that keeps key info in sight so you can stay focused on the road ahead.

Room to spare.

The Accord cabin graciously accommodates up to five adults, with generous rear legroom to keep passengers comfortable on every trip. Its self-opening trunk provides plenty of space for luggage or gear, and opens all the way with just the press of the key fob.

Exterior

Interior

The Honda Accord has a 5-Star Overall Vehicle Score from the NHTSA.

Everybody in.

 Made in America*

Odyssey Elite shown in Modern Steel Metallic with Honda Genuine Accessories. *The Odyssey is made in U.S. factories using domestically and globally made parts.

So versatile, it's practically magic.

Spacious, comfortable, and endlessly adaptable, the Odyssey was designed around family life. With room for eight and Magic Slide® 2nd-row seats for easy access and configurable seating, it's a minivan built to handle carpools, road trips, and everything in between.

8-PERSON CAPACITY

ODYSSEY

Confidence at every turn.

Every Odyssey includes Honda Sensing®, a suite of advanced driver-assistive features that can look out for you on the road. From lane-keeping support to automatic braking, it's technology designed to add peace of mind to every drive.

Making life a little easier.

Getting a family out the door is a victory all its own. The Odyssey lends a hand with power sliding doors and an available rear entertainment system to keep rear-seat passengers smiling, while available CabinWatch® lets you keep an eye on them. And with CabinTalk®, your voice comes through their headphones and/or the rear speakers so you can be heard even during their favorite show.

From playdates to plywood.

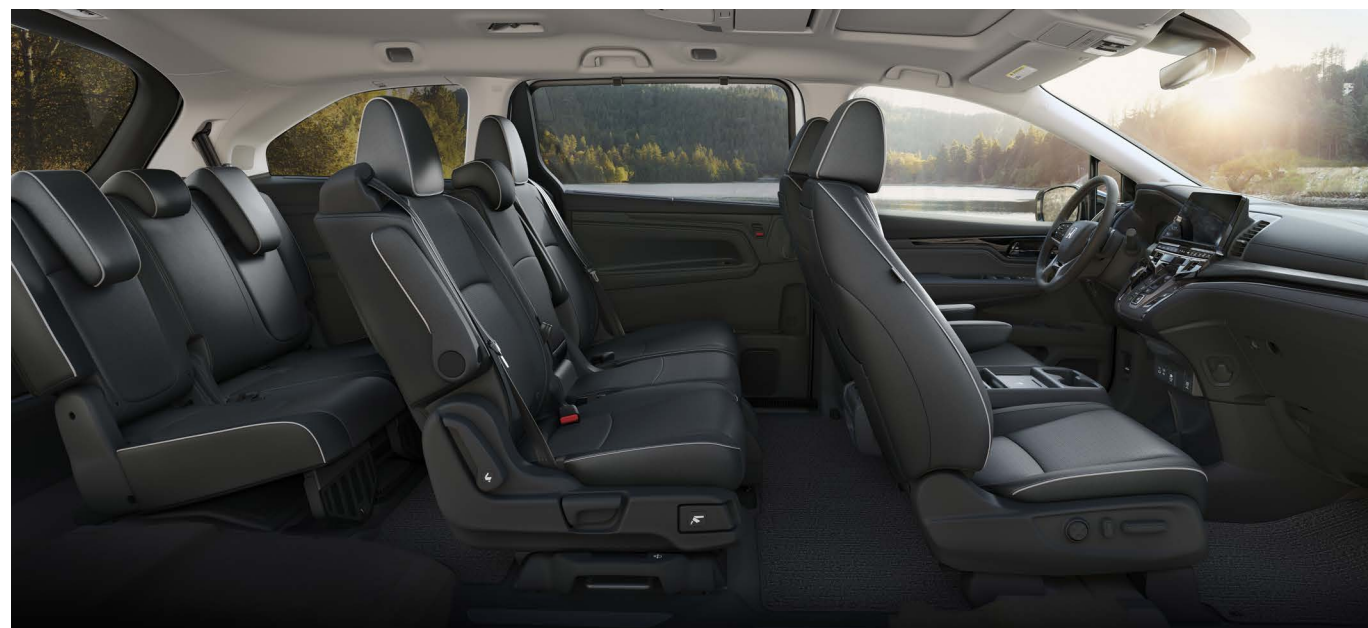

The Odyssey is just as ready for home projects and weekend runs to the hardware store as it is for carpools. Removable 2nd-row and fold-flat 3rd-row seats transform the interior into a spacious cargo hold, ready to carry everything from luggage to lumber. And its powerful 280-hp¹⁷ V-6 engine makes light work of the heavy lifting.

HR-V

**For the city
and beyond.**

Sleek style, effortless versatility.

The HR-V packs SUV attitude in a perfectly sized package. With a spirited 158-hp¹⁸ engine and a design that turns heads, it brings energy and style to every mile.

**24.4 CU FT
OF CARGO SPACE¹⁹**

HR-V

The compact SUV that always fits.

The HR-V is proof that big capability can come in a compact package. Easy to maneuver in tight spaces yet versatile enough to handle your needs, it delivers the utility you expect from an SUV. Whether it's daily commuting, errands, or weekend getaways, the HR-V fits right in.

Just as smart as it looks.

The tech-savvy HR-V keeps you connected with features like wireless Apple CarPlay^{®11} and Android Auto^{™12} compatibility, a high-definition 9-inch touch-screen, and a hassle-free wireless phone charger.¹³ It's got everything you need to stay in touch on the move.

Versatility on demand.

Plans change, and the HR-V is built to keep up. Its spacious cargo area makes room for luggage, gear, or whatever else the day calls for, while versatile seating keeps passengers comfortable along the way. From quick errands to longer trips, it's always prepared to go when you are.

Exterior

Interior

automobiles.honda.com/hr-v

The Honda HR-V has a 5-Star Overall Vehicle Score from the NHTSA.

The do-it-all SUV.

CR-V

Available

Utility in motion.

Why is the CR-V one of the best-selling Honda SUVs? It offers the perfect balance of style, versatility, and performance. Go with the responsive 190-hp²⁰ turbocharged engine or dial up the efficiency with the 204-hp¹⁰ hybrid powertrain. Either way, you'll get driving dynamics that live up to its bold design.

AVAILABLE 2.0-LITER HYBRID POWERTRAIN

A hybrid of adventure and efficiency.

For those looking for efficiency with an adventurous edge, the CR-V TrailSport Hybrid delivers. Its 18-inch wheels, all-terrain tires, and exclusive TrailSport styling highlight its rugged stance, while a power tailgate adds everyday convenience to its trail-ready style.

Tech that looks out for you.

Advanced driver-assistive technology is built into every CR-V. Honda Sensing[®] includes features like Collision Mitigation Braking System^{™21} and Lane Keeping Assist System²² to help you stay alert and supported on the road.

Capability that adapts.

When the weather turns or the road gets challenging, available Real Time AWD with Intelligent Control System[™] helps inspire confidence on unpredictable terrain. Dynamic drive modes adjust to various driving conditions to help you stay in control.

Exterior

Interior

Learn more at: automobiles.honda.com/cr-v

The Honda CR-V has a 5-Star Overall Vehicle Score from the NHTSA.

Rugged by nature.

PASSPORT

Made in America

Passport TrailSport Elite shown in Sunset Orange with Honda Genuine Accessories. *The Passport is made in U.S. factories using domestically and globally made parts.

Engineered for exploration.

The ultimate adventure companion, the rugged Passport combines trail-ready performance with everyday comfort. With available TrailSport capability and advanced features throughout, it tackles challenging terrain while keeping you confident and connected.

3.5-LITER V-6 ENGINE

PASSPORT

Power you can count on.

Built for big tasks and bold trips, the Passport features a commanding 285-hp²⁴ engine and all-wheel drive that makes quick work of tough terrain. It also tows up to 5,000 pounds,²⁵ so it's ready for trailers, boats, or weekend toys.

Pack it all in.

The Passport makes space for what your life demands. With an expansive cargo area and 60/40 split rear seatback that folds down in seconds, it easily accommodates passengers, gear, or a combination of the two.

Our most capable TrailSport yet.

Rocks, ruts, and switchbacks are no match for the Passport TrailSport. It's equipped with all-terrain tires and off-road-tuned suspension to soak up the toughest bumps, as well as skid plates to help protect critical components. Cresting a hill and can't see what's ahead? Available TrailWatch™ shows you a real-time view of your surroundings.

**Spacious versatility
for every journey.**

PILOT

Made in America*

Pilot TrailSport shown in Ash Green Metallic. *The Pilot is made in U.S. factories using domestically and globally made parts.

TRAILSPORT Available

Escape the asphalt.

When the road ends, the Pilot keeps going. It brings the muscle of a 285-hp²⁴ V-6 engine, the assurance of available AWD, and the flexibility of up to seven drive modes that adapt to whatever terrain lies ahead.

AVAILABLE 7-MODE DRIVE SYSTEM

PILOT

Haul it all.

Bring everyone along for the ride. The Pilot offers room for up to eight people and the versatility to bring along plenty of luggage or gear. And when the adventure calls for more, its robust towing capacity²⁶ makes light work of campers, boats, or whatever the journey calls for.

Built for the backroads.

From trailheads to job sites, the Pilot brings rugged capability to the road less traveled. Its independent suspension smooths out uneven terrain, while available all-terrain tires provide confident traction across dirt, gravel, and other challenging roads.

Rugged meets refined.

Capability may be at its core, but the Pilot also offers premium touches that enhance your adventures, like an available Multi-View Camera System²⁷ that lets you see around the entire vehicle. Inside, available perforated, ventilated front seats help keep things cool, and an available panoramic moonroof is a breath of fresh air for every drive.

Exterior

RIDGELINE

A truckload of capability.

Made in America

Ridgeline TrailSport shown in Platinum White Pearl. The Ridgeline is made in U.S. factories using domestically and globally made parts.

Ready, set, Ridgeline.

Built to tackle tough terrain and tough jobs, the Ridgeline was engineered from the ground up to handle serious tasks with ease. Its 280-hp¹⁷ V-6 engine has the muscle for off-road adventures and daily hauling alike, all with the comfort and control you expect from a Honda.

RIGID STEEL BODY STRUCTURE

RIDGELINE

Space that adapts.

Climb inside the Ridgeline, and you'll find a cabin that's as flexible as it is tough. Room for five and available leather-trimmed seats keep everyone comfortable, while the 60/40 split lift-up rear seat with underseat storage lets you configure the cabin to fit your needs and stow away gear securely.

Ingenuity in every detail.

The cargo area of the Ridgeline is designed with purpose. A dual-action tailgate makes loading and unloading a breeze, and the lay-flat bed makes it easy to carry 4x8 sheets of plywood. An industry-first lockable In-Bed Trunk[®] gives you secure storage that stays out of sight.

Equipped for the challenge.

Capability is part of its DNA. With 5,000 pounds²⁵ of towing strength, impressive payload capacity, standard all-wheel drive, and Intelligent Traction Management, the Ridgeline does all the heavy lifting—on the road or off.

ADX

**A new Acura for
a new generation.**

ADX A-Spec* with Advance Package shown in Platinum White Pearl.

ADX

A performer, in every sense of the word.
The Acura ADX offers drivers an exciting, more attainable introduction to everything the premium Acura brand promises: modern style, thrilling drives, the latest technology, and supreme comfort.

190-HORSEPOWER TURBOCHARGED ENGINE²⁰

Driver-centric craftsmanship.

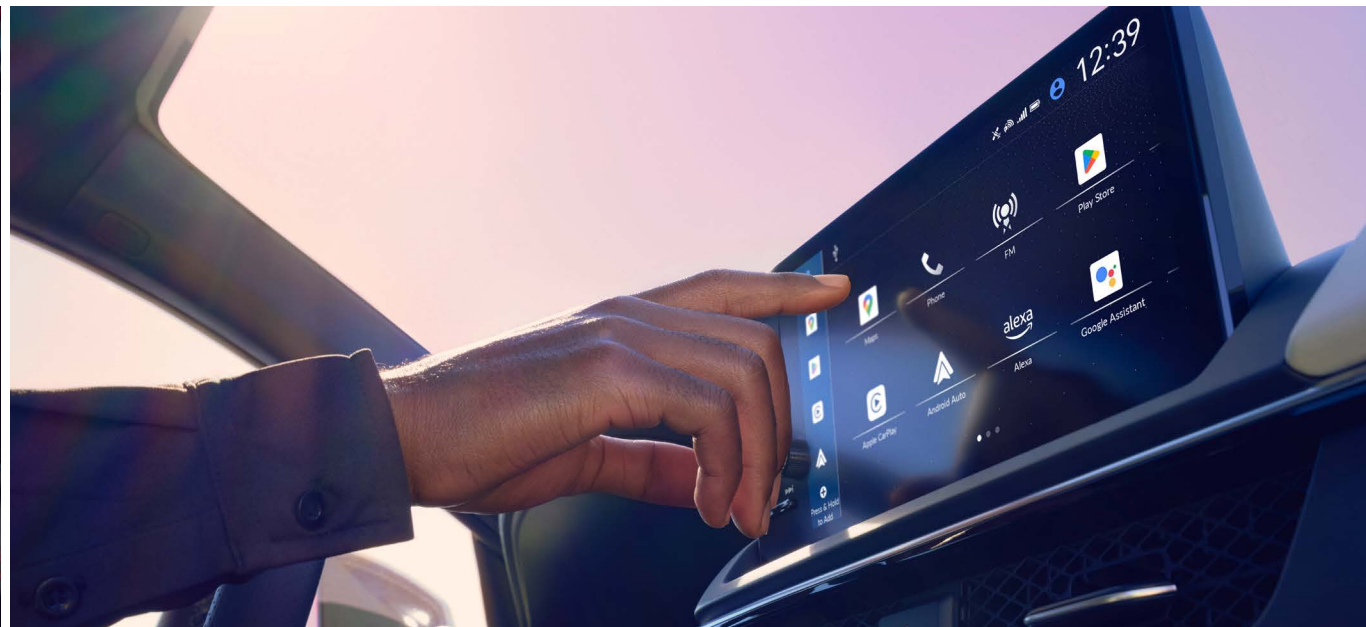

The ADX has an ergonomically designed cabin that puts controls and displays right where the driver expects them to be, and its supportive front seats are designed to offer both comfort for long trips and support for more spirited sprints.

Designed for a life on the go.

The ADX is configured to handle whatever the day brings, offering up to 55.1 cubic feet¹⁹ of maximum cargo room. That's enough for two mountain bikes, golf bags for a foursome, or room for a weekend's worth of camping gear.

Because you expect the tech.

Growing up in a digital world, people these days expect their vehicle to offer the very latest in technology and connectivity. The ADX does not disappoint, with standard features like wireless Apple CarPlay^{®11} and Android Auto^{™12} compatibility, and a wireless phone charger.¹³

MDX

The pinnacle of performance,
capability, and comfort.

 Made in America*

MDX Advance shown in Liquid Carbon Metallic. *The MDX is made in U.S. factories using domestically and globally made parts.

MDX

Sophistication and luxury for all.

There are many reasons people choose the MDX when looking for a three-row luxury SUV. First, there's room for up to 7 occupants, all riding in the lap of luxury. But the focus never strays far from the driver's needs, with responsive driving dynamics and intuitive controls.

7-PERSON CAPACITY

Crafted to accommodate.

High-end materials and attention to detail extend to all three rows of the MDX. Available full-grain leather and authentic open-pore wood trim promise a first-class experience. And the removable 2nd-row center seat opens up the possibilities, easing access to the 3rd row.

Whatever the destination, you'll relish the journey.

The Integrated Dynamics System on the MDX automatically and seamlessly fine-tunes the vehicle on a real-time basis to help maximize performance and driver enjoyment, regardless of conditions. Select Normal, Snow, Sport, Comfort, or Individual mode for optimized response and control.

High tech at every touchpoint.

A driver-oriented cockpit provides performance seating and places key controls within the driver's reach. Soft-touch switchgear delivers quality feel and positive action, while the driver commands a wide variety of functions through steering wheel-mounted controls.
